LIFE MATTERS fairly bolted up over 2m at Kempton recently and is fancied to follow up. He is 3lb well in despite carrying a 6lb penalty and Finley Marsh's valuable claim is the icing on the cake. Jumping Cats appeared to benefit from the refitting of cheekpieces (worn again this evening) when scoring over 2m here recently and he merits consideration off a 4lb higher mark, while Amjaady cannot be ruled out either.  
1|AMJAADY|78 - 4|HARBOUR FRONT|76 - 3|REALLY SUPER|76

Likely Successor struck the crossbar at Chepstow last week and warrants respect lining up off the same mark of 57, while Red Carpet Queen could also lay down a challenge equipped with first-time cheekpieces. However, SICILIAN BELLE is less exposed than that pair with only three starts under her belt and she might be able to go one better than her second on handicap debut at Yarmouth.

FULL AUTHORITY ran a huge race on handicap debut to finish third at Kempton earlier this month and is expected to build on that performance for Sir Michael Stoute. The three-year-old remains on a fair mark of 87, and his prominent style of racing gives him an advantage at this venue. Extrodinair has won his last two at this track but drops in trip and goes up in class now, and perhaps Tropics, who has dropped to a tempting all-weather mark, will prove the main danger to the selection.  
 2[MERHOOB]98 - 3[SHIMMERING DAWN]94 - 4[ALEMARATALYUUM]89

HOLY TIBER has won two of her three starts since the resumption of racing and, with course-winning form under her belt to boot, she is fancied to strike again. Maid Millie has been running consistently well, mainly on the all-weather but also placed on turf at Yarmouth in June. She is shortlisted along with Who Told Jo Jo, who arrives following a couple of pleasing efforts at Bath.

Saeed bin Suroor has introduced some nice types at this time of year in the past and could have another smart colt on his hands with newcomer FIRST TARGET. The 150,000gns yearling is out of the smart Listed winner Excelette, who has enjoyed great success as a broodmare with Well Done Fox and Excellently Poised both winning as juveniles over sprinting distances. Khaalis displayed potential when fifth here on debut and could take a step forward, while Widaad is worth noting on stable debut for rookie handler George Boughey.

Act Of Magic has found just one too good on his last three starts and deserves a change of luck soon, while Temujin was disappointing at Yarmouth last time but previously outran 25-1 odds to score on Polytrack at Lingfield. Flippance might be happier now in handicap company, but Denis Coakley's SONNETINA looks the one to side with. Third at Bath the last time, that penultimate effort in July saw several form boosts in the weeks that followed and the four-year-old has been located a nice opening here.

THEHEARTNEVERLIES was fancied to deliver on his handicap debut at Leicester but was disappointing when only beating one home. However, the son of Oasis Dream could easily bounce back from that having had wind surgery since that effort. Jeanette May wasn't at her best at Yarmouth last month but she is respected on her form earlier in the summer, while others to note include Amor Fati and Cristal Pallas Cat.

POETICA has shown some promise in three outings to date and the switch to handicap company might unlock the improvement required for her to shed the maiden tag. Eaglesglen is capable of improving from his return at the course earlier in the month with the step up in distance likely to aid his cause, while recent C&D winner Bayston Hill completes the shortlist.

Chris Wall's string are currently in decent form and GREEK OASIS makes a fair amount of appeal as she steps up to 1m2f for the first time. She built on her return effort when fifth over a mile at Yarmouth last month and her pedigree suggests the extra couple of furlongs will see further progression. Compass Point can enter the reckoning based on his recent placed effort at Windsor, while Kerrera is better than what she showed at Kempton in February and is one to note after a break.
