ANDONNO lost little in defeat when beaten a length into second on his introduction at Kempton and is entitled to take the necessary step forward from that outing. Dansing Bear, Legendary Day and Hiroshi are all entitled to build on promising debut efforts and could finish on the premises, while any money for George Boughey's newcomer Almadrina would be worth noting.
5|GOLDEN CLAIM|71 - 1|DANSING BEAR|68 - 4|LEGENDARY DAY|31

MEDIEVAL appears to be coming to the boil and is taken to gain compensation for his short-head defeat at Bath last month. Conscious is rated 6lb higher than when winning at Kempton and is worth a market check now debuting for a new stable. Others to consider are Richard Hannon representative Win Win Power and Too Shy Shy, who steps up in trip after picking up minor money at Wolverhampton.

CODE OF SILENCE failed to justify favouritism over 7f at Thirsk last time but could turn in an improved performance now granted this additional furlong. Hemsworth should be all the wiser for the experience gained on debut at Newmarket and is another stepping up in distance to note. Any money for newcomers Desert Empire and Silver Shade would be notable.

SHALAA ASKER left a favourable impression when striking over this trip at Chelmsford and is expected to go well now turned out under a penalty and moving into a nursery. Colombe has shown speed in two novice starts and can make an impact, while Lynns Boy turned in a much improved effort when third over 6f at Kempton and should be thereabouts if building on that performance over this shorter distance.

Bumper winner BEHOLDEN has earned a mark of 75 for a pair of decent runner-up finishes in maiden and novice company, and Mick Channon's charge could strike now stepped up in trip and switched to handicaps. Amjaady shaped as though this longer distance would suit when third at Chelmsford and has claims, while Casa Comigo placed over this trip at Kempton and bounced back from a poor effort on turf to take second at Chelmsford. Course regular Amanto is another to note.
4|ESTRELA STAR|81 - 2|RED SECRET|74 - 5|RYDAN|74

BRENNER PASS followed up a third-placed effort over this track and trip with a win on the turf here last time. Richard Hughes' colt is evidently at the top of his game and first-time cheekpieces could improve him enough to see off the consistent Zulu Zander. Equipped made the frame at Bath and has claims, as does last month's course winner Cappananty Con.

It's hard to see past TAQAREER here. John Gosden's Frankel colt did plenty wrong at Chelmsford on debut, being slowly away and forced wide entering the straight, so the fact he kept on well for second gives the impression he could be a tough nut to crack over this trip. Taameen ran a solid enough race on his Haydock introduction to be considered a danger on his first run for Marco Botti. Newcomers Desert Camp and Rovera are worth a market check at least.

Zihaam got back to winning ways at his beloved Beverley, where five of his seven career wins have come. He looks vulnerable at this track under a penalty, though, while Zeimaam remains a maiden after five starts but gave a decent impression when second at Bath. Libretti is evidently on good terms with herself and cannot be ignored, but THE GAME IS ON could be the answer. Simon Dow's gelding won an amateur race at Goodwood well enough and went close off just 2lb lower when last tried over this course and distance.
